Re: Multiemployer Pension Plan Funding

Dear Representative [INSERT CONGRESSPERSON'S LAST NAME],

I have just been informed that my Taft-Hartley multiemployer pension plan is projected to become insolvent in the year 2022. I am very concerned that cuts to my pension benefit as a result of this insolvency will result in my inability to have a secure retirement. I have spent years of my life working at a job to ensure that I have a pension that allows me a modest income to support my retirement. The insolvency of my pension plan and the Pension Benefit Guaranty Corporation (PBGC), which insures multiemployer pension plans, would devastate the pension benefit I have worked for and threaten my retirement.

As your constituent, I request that you make it a priority to ensure that multiemployer pension plans and the PBGC remain solvent in order to provide the pension benefits that were promised to multiemployer pension plan participants such as me. I look forward to hearing about your efforts to shore-up the funding of financially-troubled multiemployer pension plans and the PBGC's multiemployer insurance program.

Yours truly,
